

COOK BAKE CREATE

## **CHILDREN'S BAKING MASTER CLASS WORKSHOPS**

(term time or holidays)

In all of our fun interactive courses we teach an understanding of the ingredients and science behind the processes to ensure top tips for success. Children are all given recipe and ingredient fact sheet.

Popular themes include:

Artisan Breads

Pastries

Cakes and Decorating (for an additional cost dependant on what you would like to make)

Pizza and Pasta

Chocolate Explosion

Sweet Treats

### **Individual One on one tuition**

This bespoke session can either take place in the comfort of your own kitchen or at our Hampshire kitchen in North Waltham. The children can choose one theme from the above list.

Prices start as follows:

One off classes of 2 hours duration      £55 per child      Minimum age 8 years

### **Group Tuition**

This bespoke 2 hour session can either take place in the comfort of your own kitchen or at our Hampshire kitchen in North Waltham. The children can choose one theme from the above list. Prices start from:

£30 per child for a minimum of 6 children

£40 per child for 5 children or less      Minimum age 8 years

### **After school group cookery £15 per child for a one off (1.5 hour) session**

This session will involve a fun interactive cookery lesson where the children learn about the ingredients and techniques to make **one** food product chosen by ourselves.

Prices based on a minimum of 8 children and 8 years of age

### **After school group cookery courses (1.5 hour) sessions**

This course will cover **one** recipe to take home each week chosen by ourselves.

6 week course      £ 90      Prices based on a minimum of 8 children and 8 years of age

**All the above prices are subject to change**
